To whom it may concern,

35821 95 MAY 27 12:47
I oppose the Draft
Memorandum being proposed by
the FDA. I object to the
definition of "inordinate amount"
which does not allow us the
availability and the right to
obtain medically necessary
compounded medications by
limiting the number of
prescriptions that can be
shipped across state lines
from specialized compounding
pharmacies.

Thank you for your
consideration. This is very
important.
